

Entry 10 - Mary Goodreau, "Flowers & Ribbon"

Bio:

Mary is a pipeline engineer and considered an expert in fluid flow through pipes. I travel the world, training people on operating gas and oil pipelines.

"Flowers & Ribbon"

I am bedecked in Flowers and Ribbon
I wished they had asked my opinion
I think garden parties are boring,
(sigh).....even so, I must be going.

Outfit:

The bodice is a pink silk. The skirt is from a ribbon striped organza lined in pink. The style is a strapless short dress trimmed with a flower trim.
