#### **"Hope"**

Ellowyne cannot be blue,  
When she is wearing something new.  
A bridal gown full of hope,  
Ellowyne cannot mope.

### **Outfit:**

The most special party of any woman's life is the day she becomes a Princess on her wedding day. The day is filled with love and hope for the future. The bridal set I created is entitled "Hope". The bridal gown is a ballroom style with a deep princess neckline. Skirt is slightly longer at the back to form a slight train. Wedding dress has an overlay of floral lace on pristine white polyester. Hemline is trimmed with a border lace. The bodice is lined in white cotton.

Bouquet has red roses and white flowers, white lace and satin bow and ribbon tails. Shrug style jacket is made of the same lace as the overlay, and is trimmed with lace. Jewelry consists of a necklace of pearl beads and stud earrings. Veil is made from netting, beads and satin. Two straight pins hold it in place. Bloomer style underwear was made from lace.
